with big name recognition, heavy adverti. In this week's Sunday spotlight, NBC's Harry Smith explores the state of farming in America, talking to those working in the fields during tough times. TODAY Insider: Sign up and get early access to Steals & Deals Sections Show More Follow. Choosing an insurance carrier shouldn't be overwhelming or confusing. Farm Bureau Insurance works a little differently than other companies. Learn all about it, including its history, where it's available and who is eligible for coverage in. Jake From **State Farm** is at Longhorn Meat Market and is surprised to get several extra cuts of meat for free because the associate believes he did her a favor by giving her the "Maya Markdown" on her **insurance**. Jake has to tell her that everyone gets great rates, but Maya doesn't believe him and promises to keep this meaty secret between the two of them. His fast-paced delivery in those **commercials** made him a sensation and one of the most famous commercial **actors** of the era, especially in the direct-response sector. The budget for his famous ShamWow ad, which put him on the map, was only \$20,000 in total, meaning he made peanuts for appearing in it. This was over twice that of second place Progressive Corporation, with 6.8% of premiums going into **commercials**. In 2018, GEICO was the top advertiser for YouTube, supplying 6% of its revenue. On television, GEICO was the top spender in the **insurance** category, with 27.9% of ad spend and 22.4% of impressions in its category. Many **insurance** companies, ranging from Geico to Progressive to Allstate to **State Farm**, have continued to spend during the pandemic, with **commercials** that utilized humor and quirky characters. **Allstate Insurance** Company, named after Sears' tire brand, went into business on April 17, 1931, offering auto **insurance** by direct mail and through the Sears catalog. This was in line with one of the objectives of a company to sell automobile **insurance** in the same manner as Sears sold its merchandise. Tuko.co.ke in October last year published a list of all **State Farm** commercial **actors** so far. The company has employed the use of humour through its advertising videos, most of which have gone viral. All the while, **State Farm** is paying a couple of Hollywood **actors** and an NFL quarterback to perform in their **commercials**. This is why the attorneys and legal professionals of Stewart J. Guss, Injury Accident Lawyers, have dedicated their careers to helping injured victims get the compensation they deserve. It is hard to love TV **commercials**. In most cases, they interrupt your favourite shows to sell things and services you might not need. However, Progressive **Insurance** has defiled this tradition by creating fun and entertaining advertisements, not to mention that the **Progressive commercial actors and actresses** are talented. He is the guy you know from your television screen. Now get to know the real-life man in those "Jake from **State Farm**" **commercials**, as he reveals the story behind his unique Hollywood journey. Parker the pizza delivery driver brings Jake from **State Farm** a complimentary delivery as a token of her thanks for the "Parker promo" she got on her **insurance**. Even when he explains that everyone gets great rates, she is undeterred -- she hands him pepperoni pockets, an atomic brownie and a giant "side" of ranch.
