LG 55LM960V: Performance A solid bet for Olympic viewing, the 55LM960V boasts excellent motion resolution and refined SD upscaling. Be wary of motion artefacts generated by TruMotion though. The only way to escape them is to select the User mode and take De-Judder down to zero. Unfortunately LG has (once again) favoured contrast over shadow detail, lumbering the set with unyielding, thunderous blacks. It's a bit like trying to have a quiet conversation with Brian Blessed. 3D is easy to watch and relatively bright - just don't stray off-axis, because that's when the stereoscopic image splits apart. the best TechRadar India deals, reviews, product advice, competitions, unmissable tech news and more!. Your Guide to LG V30 Specs, Setup and Features. Here's a list of portable tech gadgets you'll want to use every day. : LG Electronics to get out of the smartphone business. Contributor Technology and cars. Increasingly the twain shall meet. Which is handy, because Jeremy (Twitter) is addicted to both. Long-time tech journalist, former editor of iCar magazine and incumbent car guru for T3 magazine, Jeremy reckons in-car technology is about to go thermonuclear. No, not exploding cars. That would be silly. And dangerous. But rather an explosive period of unprecedented innovation. Enjoy the ride. We check over 250 million products every day for the best prices. Common LG TV Issues to Be Aware Of. "Life's Good Film" Applauded, Recognized at International Film Festivals. You want a high DPI with plenty of pixel density. T3 is supported by its audience. When you purchase through links on our site, we may earn an affiliate commission. Learn more. The second trailer gives us lots more action but still little idea of what to actually expect in The Matrix Resurrections. Microsoft Office has a fresh new look - here's how to update. You're expecting the last word in HDR visuals. 5 new films for your weekend viewing on Indian OTT platforms. The LG CU515 is a good all around phone: not too large or too small, easy to pick up and use and comes with just enough multimedia features to satisfy the average consumer. However, none of the functions are powerful enough to interest the sophisticated set, and its most highly-touted multimedia capabilities actually require you to buy more equipment. The Matrix Resurrections final trailer feels like deja vu, again. T3 is part of Future plc, an international media group and leading digital publisher. .
